*Helping Animals and the People Who Love Them*

November / December  
2011

## **GIVING THANKS**

As we approach the traditional season of giving thanks, the SNAP Board would like to say thank you to everyone who helps make SNAP a success: the amazing group of participating veterinary clinics, our generous donors, the businesses displaying donation canisters, and our volunteers who work tirelessly.

In the last twelve years, everyone's combined effort raised \$560,000.00 and spayed or neutered 16,350 dogs and cats.

SNAP regularly receives notes from individuals using our program saying, "Thank you for your help. We would not have been able to do this without your help." We can in turn say that to our supporters. Thank you for your help. We would not be able to do this without your help. We thank you, and wish you a blessed holiday season.

### **HOW TO CONTACT US**

PO Box 14354 / Springfield, MO 65814 /417.823.7627

## A WORD FROM LACEY!

Hi! My name is Lacey. I am an eighty-nine pound, three year old Rottweiler/Bull Mastiff. I have been a mother once to eleven puppies. (Talk about a job!) After that, I was given to a new person who really loves me a lot! He called SNAP and I am now spayed and don't have to worry about taking care of another large litter of puppies! Thanks to all of SNAP's supporters for caring about me and wanting to make my life better. Without you, I would still be looking for a loving home.

## CAN YOU HELP?

**Case # 4** – Missy is a 6 month old female lab. She has already been passed around to 3 homes. She has been taken in by Rose and her husband. They have another dog that is spayed but need assistance to get Missy spayed so they can keep her. The cost to get Missy spayed through SNAP is \$75.

**Case #5** – Shelly lives in Greene County and is a single parent with five in the household including a disabled son and a grandchild she has custody of. There are several stray cats in their neighborhood that have had multiple litters. Shelly has spayed 3 females on her own, plus 4 females thru SNAP and could really use help with the remaining 7 cats (4 females and 3 males). SNAP's cost to get these cats fixed is \$310.

**Case #6** – Denise lives in Christian County on a fixed income. She found a kitten left in a box near a gas station and took him home. Shadow gets along well with her other 2 neutered males and she would like to keep him but can't afford the neuter cost. SNAP's cost for Shadow is \$30.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. You can specify which case you would like to help on the memo line. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner as determined by the SNAP team. Thank you for your support!

# We need your support!

**YES!** I would like to become a member of SNAP to help reduce the number of unwanted animals born in Southwest Missouri. I understand that by becoming a member, I will receive a quarterly newsletter, acknowledgement on the SNAP website, and an invitation to SNAP's annual meeting. (Membership is renewable annually and is tax deductible. Payment may be made by check or money order.)
