Did You Know....SNAP received the most donations ever collected at Mama Jeans Natural Market during July!

- SNAP supporters donated a total of \$232.30 in July which Mama Jeans matched, giving us a donation of \$464.60!
- This was the most any charity has raised during a monthly promotion.
- Thank you to Mama Jeans and to all our supporters.

CAN YOU HELP?

Case # 19 –Jenny heard about SNAP from the local food pantry. She contacted us immediately because she wanted to get her two dogs, both strays, fixed before they had a chance to reproduce. The family of four is on Medicaid and food stamps and has a monthly income of \$807. They need to get Rosie, a 6 month old Lab mix and Rolly, a male Golden Retriever mix done. SNAP's cost to get these dogs fixed is \$160.

Case #20 –Helen is an elderly widow with five older fixed cats and one fixed dog. A stray beagle/hound mix showed up at her house and she decided to keep him but needs help with the neuter. Her veterinarian's office suggested she call since she is on a fixed income. SNAP's cost to fix Max is \$60.

Case #21 – Crystal needs help with two dogs and two cats. All the animals are 6 months to 1 year and so far she has not had any litters. The male and female dogs are 50 pound Lab/Shepherd mixes, and she has a male and female cat. She is on Medicaid, food stamps, and is on disability. SNAP's cost is \$240.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. You can specify which case you would like to help on the memo line. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner as determined by the SNAP team. Thank you for your support!
