Helping Animals and the People Who Love Them

Nov / Dec 2016

You Mean the World to Us!

Since February 2000, the Spay Neuter Assistance Program has provided vouchers to facilitate over 20,000 surgeries for low income pet owners in southwest Missouri. SNAP relies on funding from private donations and grants to provide discounted veterinary services. During this season of thanksgiving and sharing, please remember to include the animals in your special gifts. Sheila used the program in September and wrote, "Thanks so much to everyone who makes this program possible. SNAP makes this world a better place." Paula wrote, "I want to thank you from the bottom of my heart. My dog saved me from a very dark place. I want nothing more than to do the right thing for her. Because of you that's possible."

SNAP's team of volunteers would like to thank everyone who helps make SNAP a success; the amazing work of the participating veterinary clinics, our generous donors, the businesses displaying donation canisters, the tireless work of our volunteers. Without all of you, this important community service could not be done.

We thank you, and wish you a blessed holiday season.

CAN YOU HELP?

Case # 66 –Nancy had a pregnant stray cat show up at her house. The three kittens are now three months old and she would like to get the mother and kittens fixed so she can keep them. She also has a one year old male Shepherd/Lab mix that needs to be done. She lives by herself on a fixed income and the animals give her lots of love and enjoyment. SNAP's cost to get them done is \$265.

Case #67-Kevin had two male dogs show up about a year ago, an adult lab and a younger Border Collie/Pit mix. He has been caring for the dogs then a female Husky showed up. He is scared she will get pregnant and would love to have all of them fixed. He has been laid off and is currently looking for work. The cost to fix all three dogs is \$240.

Case #68-Sarah rescued two male dogs from a bad situation. One is a year old Pit Bull and the other is a five year old Hound mix. The family of four is on food stamps and can give both dogs a good home but needs help with the neutering. SNAP's cost to have both dogs fixed is \$180.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!
