CAN YOU HELP?

Case #96 April has a small female dog that needs to be spayed then a stray cat showed up with four kittens, two females and two males. They are all old enough to be fixed now but can't afford to pay full price for all of them. SNAP's cost to fix these animals is \$305.

Case #97 Rose rescued a Pit Bull puppy. He is now old enough to be neutered. She has gotten his shots but cannot afford the cost to neuter and get him registered with the city. SNAP's cost to fix her dog totals \$125.

Case #98 Daren is a single parent who just started a new job. She took in a female dog from a friend and had a young male cat show up in her yard. She wants to keep both the animals but doesn't want any accidental litters. The cost to fix both animals is \$105.

If you can help spay or neuter any of these animals, please send your donation to

No amount is too small. It all adds up to do great things! You can specify to which case you would like to contribute. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

Community Foundation of the Ozarks

SNAP has established a fund at Community Foundation of the Ozarks (CFO) as part of their Agency Partners program. Being part of this program benefits SNAP in many ways. Not only are we exposed to CFO's extensive donor network, but we are also eligible for fundraising opportunities, networking, and other perks, including accepting online donations.

If you would like to make an **online donation** for our CFO fund, please follow these simple steps:

- Visit the CFO website at www.cfozarks.org
- Click on the **GIVE ONLINE** link at the top of the home page
- Designate the amount of your donation
- Under **GIFT DESIGNATION**, select **OTHER** from the drop-down menu
- In the space provided for **OTHER DESIGNATION** enter "**SNAP**"
- Enter your contact and donation information, then click on the **DONATE NOW** button.

We need your support!

SNAP's mission is to eliminate the need for euthanasia in our community's animal shelters, to reduce the number of homeless animals, and to educate the public about the importance of spay/neuter.

We cannot accomplish our mission without donations. Please donate online or return this form for specific designations or for more information.
