Helping Animals and the People Who Love Them

Cider Days is just Around the Corner!

The 22th Annual Cider Days Arts & Crafts Festival held on Historic Walnut Street is scheduled for Saturday, September 21st and Sunday, September 22nd from 10:00am-5:00pm both days. This two day festival will feature regional artists and crafters, three performance stages and of course, real apple cider! Plus, SNAP will have a booth to sell our popular dog bandanas! We have a good supply of sports teams and fall/Halloween, always favorites this time of year. Plan to join in the fun and start your Christmas shopping!

Lending a Hand

The end of April, Community Partnership of the Ozarks put together an event to help nonprofits connect with tenants affected by the foreclosures of hundreds of 417 Rental properties. SNAP was proudly one of the participants. We were able to help several families and individuals spay and neuter their pets at no cost to them, allowing them more options for housing moving forward. Thank you all for your donations to make that possible!

FUN FACT

Ever wonder why cats love people who don't like cats? One reason cats seem to have an affinity for these folks is they are often the least interested people in the room. Therefore, cats see them as non-threatening and become curious and feel safe approaching them. Makes sense to me!

*Grieve not, nor speak of me with tears,
but laugh and talk of me as if I were
beside you...I loved you so, 'twas
Heaven here with you.*

In loving memory of Cookie Emerson

CAN YOU HELP?

Case #102 Tamra has taken in three animals, a female cat, a male cat and a small male dog. She has been having some critical health issues for a while now and she says the animals are all she has left. They are what keeps her going. She is very grateful to everyone who is involved with the program. SNAP's cost to fix her animals is \$160.

Case #103 Patsy is a single parent on disability and no child support. She found a stray cat and dog that her son fell in love with, so she decided to keep them. The veterinary clinic told her to give us a call. SNAP's cost to fix her pets totals \$125.

Case #104 Kimberly is also a single parent who rescued three cats from a horrible situation. The female cat is young and has not had any litters yet and the two males are older. They plan to keep them if they can be fixed. SNAP's cost is \$125.

If you can help fix any of these animals,
please send your donation to:

**SNAP

No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

Community Foundation of the Ozarks

SNAP has established a fund at Community Foundation of the Ozarks (CFO) as part of their Agency Partners program. Being part of this program benefits SNAP in many ways. We need your support!

SNAP's mission is to eliminate the need for euthanasia in our community's animal shelters, to reduce the number of homeless animals, and to educate the public about the importance of spay/neuter.

We cannot accomplish our mission without donations. Please donate online or return this form for specific designations or for more information.
