December 2019

Happy Holidays to YOU!

The SNAP volunteers want to thank you for another successful year and send our wishes for a blessed and healthy 2020! Your donations are so important to us. We continue to be run one hundred percent by volunteers so that the money donated goes to pay the veterinary bills for spays and neuters. Thank you for your support!

Dear SNAP,

Thank you so much for your assistance to get our new dog neutered! I am so grateful for your program. Our kids have wanted a dog for so long, but we've been hesitant because of costs such as spaying and neutering. We knew this was an important step and we didn't want to commit to a dog if we couldn't do this.

Then Buddy found us. He is a perfect fit for our family. The kids cheered when the vet we took him to couldn't find a microchip! My daughter is sure Buddy was a gift from God and that's why he fits in so well. She gave him his name. We have worked hard to get the fleas and ticks off him and he is gaining some weight and looking much healthier.

Your assistance is greatly appreciated!

With sincere thanks,
Beth

CAN YOU HELP?

Case #108 Jenn has been wanting to have her stray female cat fixed for over two years now but has not been able to save up the money. She has kept the female indoors but has another stray, a young male cat, that she has taken in and now must get both done immediately. SNAP's cost to fix her cats is \$90.

Case #109 Carrie is a single parent. She found a young female Pit/Beagle mix that needed a safe place to go. She has decided to keep her since her son and the dog have bonded. She also has had a young male cat show up and would like to have them both fixed. SNAP's cost totals \$130.

Case #110 Eric is a disabled veteran. He recently has taken in an adult male dog from a friend for emotional support. He has also been feeding two young adult male cats that showed up at his home. SNAP's cost is \$150.

If you can help fix any of these animals, please send your donation to:

No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

We need your support!

SNAP's mission is to eliminate the need for euthanasia in our community's animal shelters, to reduce the number of homeless animals, and to educate the public about the importance of spay/neuter.

We cannot accomplish our mission without donations. Please donate online or return this form for specific designations or for more information.
