CAN YOU HELP?

Case # 34 –Rob is a special needs individual trying to live as much as he can on his own. He received a male dog several years ago that needs to be neutered. The dog is a large breed dog. Rob has no money to put towards the surgery. SNAP's cost is \$100.

Case #35 –Jeana had a female cat show up at her home last fall and it had a litter of kittens. She needs the mother cat fixed along with three of the kittens that are now eight months old. In addition to the cats, a male dog recently showed up also that she is guessing is not quite a year old and is a Great Dane mix. She is willing to give them all a good home but needs help with the spay/neuter. SNAP's cost to fix the group is \$280.

Case #36 –We have had several requests from people on fixed incomes to assist with small dogs. These dogs have come from bad situations or from the death of a family member. Here are some of the dogs needing help, SNAP's cost is \$60/dog.

- Lola, 6 mos Min Pin/Beagle
- Lucy, 3yr old Chihuahua
- Pugsley, 2yr old Pug/Pekingese
- Chloe, 1yr old Terrier mix
- Shadow, 2yr old Chihuahua
- Lady, 2yr old Corgie/Chihuahua
- Tucker, 10 mos Dachshund mix

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner as determined by the SNAP team. Thank you for your support!
